Shine Like Stars

```
Do = G_{1}^{4}/_{4}
Rock
J =136-139
           D/F^{\#} G Am
Intro: Em
      G/B C
                              4x
                 C
                                 G
Em
   Look at the world we live today
            D/F#
                               Em
Look at the hurting everywhere
Let us see mercy and Your grace
                          Em
       D
Overflowed in every place
           C
                           G
Let us be one with You today
    D/F#
                     C
And let Your glory fall
Em
                                  G
   Teach us to live in righteousness
            D/F#
                            Em
Teach us to love in one accord
```

C

Guide us to live life everyday

D Em

As we worship in Your court

G

Let us declare Your majesty

D/F#

And let Your glory fall

G

We will shine

D/F#

Shine like stars above

C

Shining in Your light

6 D/F#

Guided by Your love

 ϵ

Let Your fire burn in us

D/F#

Burning like the sun

C

As we glorify

G D/F[#]

And show Your kingdom come

In all the earth

We will shine like stars above D/F#

As we're burning like the sun
